Government are not managing the [illegible] charities in question but a cash grant of Rs 197-8-0 is being paid from Govt funds to the same. The institution by virtue of this Govt grant is a Municipal one. In the present case the Municipal Commissioner has asked for sanction of Govt on the ground that the execution of the work in the premises of the institution is to be undertaken by the Municipal Committee and not by the P.W.D. in which case such sanction would be unnecessary.

23 JULY 1936

SIR,

Permission for constructing shops in the premises of the Srinivasa Mandiram at Balepet under the supervision of the Committee.

In forwarding herewith a copy of letter No.Co-370/35-36 dated 12-6-1936 from the Deputy Commissioner, Bangalore District, I have the honor to state as follows:-

2. Mrs. M. Sundaramma, Manager of the Srinivasa Mandiram Charities contributed a sum of Rs 1,000 for the construction of a shop on the vacant site to the west of the Library and the same was accepted in this office order No.R.Dis.152/33-34 dated 3-3-1934 (~~copy~~ enclosed).

The Deputy Commissioner submitted an estimate for Rs 1,900 prepared by a private contractor and requested sanction thereto and the former was requested to get it scrutinised by the Executive Engineer and report the agency through which the work would be executed. He now submits an estimate for Rs 1,950 prepared by the Executive Engineer, Buildings Division, and proposes that sanction may be accorded to the estimate and to get the work executed through the Managing Committee, as they expect to complete the work for Rs 1,250 and as Mrs. Sundaramma has agreed to pay the excess over Rs 1,000 required if the work is entrusted to the Managing Committee.

3. In these circumstances, I request sanction of Government to entrust the execution of the work to the Managing Committee, subject to the condition that the work should be executed as per plan and estimate, payment being made after the final check and approval of the Executive

Engineer, Buildings Division, as proposed by the Deputy C

The connected file is enclosed for reference and return.

e r No.C3-970/33-34 dated 12-6-36 from the Deputy Commissioner, Bangalore District, to the Muzrai Commissioner in Mysore.

Subject:- Construction of shops in the premises of the Srinivasa Mandiram Charities, Balepet, Bangalore.

With reference to your letter No.C.1165/34-35 dated 16-3-1936 on the above subject, I have the honor to state that the Executive Engineer, Buildings Division, Bangalore, has sent an estimate for Rs 1950 for construction of the shops as per plan enclosed. As the amount donated for the purpose is only Rs 1000 the President of the Charities was requested to suggest ways and means for meeting the extra cost of Rs 950 and also to obtain the views of the Managing Committee on the proposed additions. In reply, he has sent a resolution passed by the Managing Committee from which it will be seen that Mrs. Sundaramma has generously offered the amount of Rs 250 which is stated to be due to her by the Charities towards the expenses of the Sri Ramanujachar's Tirunakshatra Utsavam in 1934 which she celebrated at her own cost to be utilised to supplement the donation. The Managing Committee have expressed the opinion that if the work is entrusted to them it will be possible to get it executed as per plan for the available amount of Rs 1000 plus the additional donation of Rs 250. Mrs. Sundaramma is understood to have also undertaken to pay whatever extra cost may be incurred by the Managing Committee in case the work is entrusted to them.

In these circumstances, I recommend that the Managing Committee's proposal may be kindly approved and the estimate for the work sanctioned. The amount of Rs 1000 held in the Savings Bank Account in the name of this office may also be ordered to be withdrawn and placed at the disposal of the Managing Committee for getting the work executed. The President of the Charities will be informed that the work should be got executed as per approved plan and that it will be subject to final check and approval by the Executive Engineer, Buildings Division, Bangalore.

The plan and estimate and other connected papers accompany for refer-
